Prices and Packages

Resume

Resumes are prepared to be targeted to a particular position (if you have an advert), or to a particular industry if you have several adverts within the same industry. If you are applying for multiple industries, you will need multiple resumes.

- School Leaver / Student - \$129
- Entry Level (1-3 years work experience) - \$159
- Experienced (4-7 years work experience) - \$229
- Senior Experiences (8+ years experience) - \$299
- Return to Work Parent - \$159
- Resume Review – have your current resume reviewed and receive written feedback - \$69
- Resume Handbook – receive a written guide to help you write your own resume - \$49

Cover Letter

Cover letters and Selection Criteria documents are different documents. Cover letters are prepared to be targeted to a particular position (if you have an advert), or to a particular industry and are a general document outlining your skills and experience. If you are applying for multiple industries or multiple targeted adverts, you will need multiple cover letters. Selection Criteria are prepared for a particular advert that has specifically asked you to address selection criteria; please note Career Pursuit does not currently have capacity to prepare selection criteria responses.

- Cover letter - 1 page (generic for industry/job title) - \$129
- Cover letter - 1 or 2-page cover letter targeted at a job advert - \$199
- Cover letter handbook - a quick guide of how to write your own cover letter - \$49

LinkedIn
